

Thank you so much for your interest in becoming a member of Gurlz for Gurlz networking!

Who we are.... We are a group of women who are serious about having fun while networking, both professionally & socially. We are entrepreneurs, small business owners, and employees that gather together to share knowledge, expertise, and wisdom in business and life. We were founded and continue to operate with faith-based principles and ask that our members base their business dealings with each other in the same manner.

What we do... We support each other in more than just business. We are here to listen and share in the wisdom and experience of each our members. Families, life, religion, children, and work... we share openly and often!

What we give... As a faith-based organization, 10% of all membership fees are donated to local organizations that promote women forward & up! We offer this 10% in both financial contributions and through our time and talents.
